WORK EXPERIENCE

Arroyo Seco Saints Baseball Team — *Pasadena, California*
Assistant General Manager — June 2026 – Present

- Manage a team of data interns on game days, overseeing Trackman operation, official scoring, and Synergy camera setup.
- Build post-game reports for every pitcher and hitter from Trackman data, giving each player actionable areas for improvement.
- Assist the owner with organizational operations, including inventory management, jersey sourcing, and hiring.

UCLA Baseball Team — *Los Angeles, California*
Co-Lead Student Manager — October 2022 – June 2026

- Co-led the student manager group for the 2025–2026 season.
- Translated Trackman and video data into player feedback on pitch shape, command, usage, and hitter approach.
- Analyzed game and practice data to identify each player's strengths, weaknesses, and development priorities.
- Supported the coaching staff with performance trends and visualizations for drill design, practice planning, and in-game adjustments.
- Maintained accurate, organized data capture to support player evaluations across the season.

Orleans Firebirds – Cape Cod Baseball League — *Orleans, Massachusetts*
Baseball Operations and Player Development Intern — June 2025 – August 2025

- Recorded and analyzed pitchers in games and bullpen sessions to support mechanical refinement and pitch development.
- Evaluated pitch shape, consistency, and usage to guide each pitcher's individual development plan.
- Provided video breakdowns and usage updates to players and their college coaches, tracking progress throughout the summer.
- Streamlined video collection and storage for more efficient review.

Conejo Oaks – California Collegiate League — *Thousand Oaks, California*
Trackman and Video Operator — June 2023 – August 2024

- Operated and maintained the Trackman unit, delivering accurate post-game data to coaches and players.
- Reported pitch velocity, trajectory, and batter data to the coaching staff to inform game planning and player development.
- Managed Synergy camera operations, capturing at-bats, defensive plays, and key game situations.
- Uploaded and organized footage and data promptly, giving coaches, scouts, and players timely access for post-game review and preparation.

T-Stats — *San Gabriel, California*
Owner/Operator — June 2021 – Present

- Founded and operate a baseball analytics company providing advanced statistical analysis to high school and junior college teams.

Maranatha High School Baseball Team — *Pasadena, California*
Intern — January 2022 – May 2022

- Analyzed player results by pitch type and location.
- Identified trends and areas for improvement to inform player development and game strategy.
- Presented findings to the coaching staff to support decision-making.

Bradley Baseball Academia — *Reston, Virginia*
Intern — September 2021 – March 2022

- Built a database of high school players to show BBA clients the development needed to earn college commitments.

Ocean Safari Scuba — *San Gabriel, California*
Intern — June 2019 – August 2019

- Maintained, cleaned, and sanitized SCUBA equipment and the store.
- Assisted in inventory management and price checking.
- Served as a customer service liaison and retail clerk.

EDUCATION

University of California, Los Angeles — *Los Angeles, California*
B.A., Economics — September 2022 – June 2026
